Thankagiving Week at the Auditorium.

Two special shows have been booked in for this week, each half of the week having some special features.

For the first three days one act that should prove of special interest is the Meyako Twin Sisters. These twins are a pair of diminustive Japanese misses whose acrebatic features.

The comedy feature of the bill will no doubt be provided by the team of Wink and Davis, a due of eccentrist ormedians who would make the proverbal horse laugh.
